

What If? - YES or NO!

HEY Friends!
See what you
remember 'bout
me and Xander!

Circle Yes or No.

Xander spent a lot of time studying his spelling.

Xander learned to chase out bad thoughts instead of letting them grow in his head.

Xander did not do very well in his spelling test.

Xander got a tummy ache from worrying.

Xander had to stay after school for a very, very long time to practice his spelling words.

Ellie got her hands stuck on a bear!

Ellie wanted Xander to come play a game.

Poor Xander! Alex broke his drum and he had to fix it all up with his dad's glue, even though Xander's dad said not to touch it.

Xander's brother was very mean and broke all the legs off of Xander's favorite robot.

Xander and I got in a humongous fight, so I didn't go to his house on Saturday.
